Time for some fun!

How about a one day road trip!

Let's do a road trip in October, this would be the perfect time with the fall weather upon us.

La Llama Farm in Apple Valley

In addition to Llama's they have a farm of Angora Goats, Fainting Goats, Chickens & Peacocks.  
There is a small fruit cocktail orchard an a vegetable garden. In the fall they do raise pumpkins  
and gourds.

Our day would include learning about fiber and the process of dying. A great lunch and dessert.  
Informational guided Farm and Garden Tour. Shop at the "Farm Store"

(1) skein of wool yarn

Price includes all the above plus transportation for the day \$99.00

I would love to meet you.
