

# SIT 'N STITCH

Hi Folks,

This Saturday we will have the Trunk Show from Mango Moon Yarn start and Amana Nova the owner of Mango Moon will be here (10:30am-2:30pm) to meet and greet people and to also show a video, the video basically shows the women's organization that makes the yarn in Nepal, and talks about the benefits the women in the shelter have received from the sales of their yarn.

This Saturday starts the beginning of the trunk show for D.J. Designs Needlepoint – please see the web site [www.sitnstitch.com](http://www.sitnstitch.com) or more details.
